Stage One – Application

An application form is to be completed for each student that is interested to join. You may submit an application online at www.mimbar.co.uk/apply. You may also pick up a printed copy at the entrance of the Academy and hand it over to the Administrator or a teacher once completed.

Shortly after completing an application, the parent/guardian will be sent a text message confirming their application has been received and the student will be added to a waiting list.

Stage Two - Interview

When you are next in line in the waiting list and spaces are available, the parent/guardian will be sent a text message inviting them and the student to an interview with a date and time. The interview will be held by the Head or Deputy Head of Education.

The interview will include assessing the student's Qur'an reading abilities and Islamic studies to confirm which class the student is most suitable for. The interview will also include discussing our teaching methods, exams, policies, and the books the student may need to purchase to utilise for their classes. You are free to ask questions for the interviewer to answer.

The parent will need to pay the admission fee of £15.00 per student via a bank transfer before the interview.

Stage Three - Success

Shortly after completing the interview, the parent/guardian will be sent a text message which will contain the date of the student's first day. It may include details of books the student may need to purchase.

Parents will also need to create a monthly standing order of a fixed amount for their tuition fees to confirm and finalise the student's place in the Academy.
